Local Pharmaceutical Committee

Action Plan 2019-20

Develop and implement a mapped out engagement/support plan for contractors for the next 12 months, including provision of flexibility to allow for support for new initiatives	Support contractors in anticipation of switch to 28 day scripts for DDS boxes.
Review contractor provision of services using public data - quarterly	TPF enhancement - Land contract extension , lobby PSNE to engage project management to co-ordinate across region
Maintain a range of communication methods for contractors to use the support available from the LPC - evolving communication routes.	Regional LPC workplan creation - propose co-working and shared funding wrt HLP related communication & training, website (population & management), newsletter production & publication, HR services, national contract support, quarterly rolling responsibility for consultation responses amongst member LPC.
Communicate regularly to contractors to share news wrt upcoming initiatives/deadlines.	Stakeholder Relationship Management - revisit stakeholder mapping for influence & impact, develop plan & tracking for contacts, inc advocates and outputs. Report outcomes to each LPC meeting - to include response to PCNs (proposed 22 PCNs consider PCN link pharmacists 0.5 day pm)
Proactive response to individual contractors/situations that have the potential to impact on others	Governance Arrangements: incorporate actions to deliver green/purple assessments fo 2019/20 within workplan.
Engage advertising/IT company to complete and update LPC website and provide ongoing social media advertising for local pharmacy services.	Pharmacy Contractor Representation : stakeholder mapping outcome to inform and seek to progress closer working with Gateshead pharmacies
Deliver 'One Stop Shop' LPC website used as a hub to support & inform contractor, patients and stakeholders	IT innovation ready - work with agencies and contractors to engage and support contractors and their teams in IT initiatives affecting NHS community pharmacy, i.e Real Time exemption checks, EPS CD rollout.
Deliver professionally organised social media advertising of pharmacy services and NoT Pharmacy	
Operate regionally co-ordinated Health Champions meetings - delivered locally	
Hold 'Welcome to NoT Pharmacy' event for Pre-reg/newly quaified/ 'new to patch' pharmacists	
Launch 'Pharmacy and a Pint' (need to rename) event -an informal chat with LPC Officers /Head of Services	
Oversight of novel services/pilots - e.g. AHSN Asthma, AF, BP, ToC, Hep C.
